## CERTIFICATIONS AND DISCLOSURES REGARDING CONTROLS AND PROCEDURES

A. CERTIFICATIONS. See Exhibits 31.1 and 31.2 to this Annual Report on Form 40-F.

B. DISCLOSURE CONTROLS AND PROCEDURES. As of the end of the registrant's fiscal year ended December 31, 2008, an evaluation of the effectiveness of the registrant's "disclosure controls and procedures" (as such term is defined in Rules 13a-15(e) and 15d-15(e) of the Securities Exchange Act of 1934, as amended (the "Exchange Act")) was carried out by the registrant's management with the participation of the principal executive officer and principal financial officer. Based upon that evaluation, the registrant's principal executive officer and principal financial officer have concluded that as of the end of that fiscal year, the registrant's disclosure controls and procedures are effective to ensure that information required to be disclosed by the registrant in reports that it files or submits under the Exchange Act is (i) recorded, processed, summarized and reported within the time periods specified in Securities and Exchange Commission rules and forms and (ii) accumulated and communicated to the registrant's management, including its principal executive officer and principal financial officer, to allow timely decisions regarding required disclosure.

It should be noted that while the registrant's principal executive officer and principal financial officer believe that the registrant's disclosure controls and procedures provide a reasonable level of assurance that they are effective, they do not expect that the registrant's disclosure controls and procedures or internal control over financial reporting will prevent all errors and fraud. A control system, no matter how well conceived or operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met. Reference is made in the "Controls and Procedures" and

“Evaluation of Disclosure Controls and Procedures” sections of Management’s Discussion and Analysis of the Registrant for the fiscal year ended December 31, 2008, included herein.

- C. **MANAGEMENT’S ANNUAL REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING.** The required disclosure is included in “Management’s Report on Internal Control over Financial Reporting” that accompanies the registrant’s Consolidated Financial Statements for the fiscal year ended December 31, 2008, filed as part of this Annual Report on Form 40-F.
- D. **ATTESTATION REPORT OF THE REGISTERED PUBLIC ACCOUNTING FIRM.** The required disclosure is included in the “Report of Independent Registered Public Accounting Firm” that accompanies the registrant’s Consolidated Financial Statements for the fiscal year ended December 31, 2008, filed as part of this Annual Report on Form 40-F.
- E. **CHANGES IN INTERNAL CONTROL OVER FINANCIAL REPORTING.** During the fiscal year ended December 31, 2008, there were no significant changes in the registrant’s internal control over financial reporting that have materially affected, or are reasonably likely to materially affect, the registrant’s internal control over financial reporting. Reference is made in the “Controls and Procedures” section of Management’s Discussion and Analysis of the Registrant for the fiscal year ended December 31, 2008, included herein.

## PREAPPROVAL POLICIES AND PROCEDURES

In 2008, Advantage's Audit Committee pre-approved all audit, audit-related and tax fees. The Audit Committee will be informed routinely as to the non-audit services actually provided by the auditor pursuant to this pre-approval process. The auditors also present the estimate for the annual audit related services to the Audit Committee for approval prior to undertaking the annual audit of the financial statements.

## OFF-BALANCE SHEET ARRANGEMENTS
